

OUTLINE BUTTERFLY SERVE EUROPE'S LARGEST SQUARE

Outline butterfly line arrays were called upon to support an annual event presented by Italian broadcasters Radio Italia Solo Musica Italiana and Video Italia that features top Italian performers live in concert. The

A Butterfly (array) aloft above Italy.

tem included 24 Outline Butterfly C.D.H. 483 mid/high line array modules as well as eight more for stage-right coverage and four more for frontfill. Thirty-two Outline Victor Live subwoofers supplied the low end, while the stage offered Outline H.A.R.D. Series 212 SP and 115 SP monitor wedges. System power was supplied by 30 Outline T6.5 amplifiers, with processing via an Outline Genius 6 and two Lake Contour units controlled via a tablet PC.
